

# CAVALIER NEWS

APRIL 2022

## MILLER MINUTE

Families,

We are in April and the 4th quarter has just begun and I am so grateful for all our staff members at Fleming Middle School for an incredible year so far.

The Fleming staff has worked extremely hard to build relationships, create a safe and fun environment in every classroom and Fleming students have met the challenge and are persevering through the high expectations and rigor given by their teachers. My "Why" is when I can walk in a classroom and witness students learning, engaging, laughing, smiling while understanding the concepts being taught. All of the educators at Fleming really enjoy having your child in our presence and challenging us just as much as we challenge them.

Currently we are State Testing in ELA and Math for 6th/7th and 8th graders. A big shout out to our testing coordinators, Mrs. Hansen, Ms. Micara, Ms. Boost, Ms. Jontue, Ms. Susan. Thank you for all your hard work.

### **\*MILLERS REMINDERS:**

\*\* ParentVue- useful tool to check your child's grades and attendance. (if your child has excessive tardies, it might be because they have lockers and are standing at them too long) We are patiently teaching them time management skills, organization and responsibility.

\*\* Charged Chromebook everyday.

\*\* Students have lockers and **CELL PHONES** are now kept in lockers.

\*\* Backpacks and all school supplies not needed for class are now kept in lockers.

\*\* NO SHARING OF FOOD or WATER BOTTLES.

\*\* DRESS CODE ENFORCEMENT IS OUT!!! Weather is changing and please help us maintain our dress code policy with appropriate clothing before your child leaves for school.

### **MILLERS SHOUTOUTS:**

**1. Mrs. Susan and the Fleming OBOB Team- CONGRATS TO FLEMING BATTLE OF THE BOOKS TEAM. AWESOME JOB!!**

**2. 6th/ 7th GRADERS: Thank you for keeping the cafeteria clean.**

**3. 8TH GRADERS: Thank you for working hard in classes and keeping the 8th grade hall clean.**

**4. Mr. Paul and Mr. John for keeping our school clean.**

**5. MAJOR SHOUTOUT TO Dawn Lasater our new office manager. Dawn works extremely hard managing the front office along with making sure teachers and students have everything they**

need each day. She goes above and beyond for ALL CAVALIERS!!

**\*\* PARENT HELP\*\***

I am asking for your help on two major issues:

1. We have had an increase in the number of students **VAPING** at school and I am asking you to talk with your child about it. It is not allowed at Fleming or any school in the Three Rivers School District. It is becoming very addictive in young adults and students are bringing it to school and sharing it with friends. **PLEASE HELP FLEMING SAY NO TO VAPING!!!!**

2. We are seeing an increase in the amount of disrespect students are displaying towards teachers and other students. This type of behavior will not be tolerated at Fleming Middle School and is disturbing the learning environment for all students.

\*\* Please have a conversation with your child about how they are respecting adults and other students at Fleming. Are they using kind words in conversations with other students?

**EVERYDAY at Fleming Middle School we read this to our staff and students:**

At Fleming Middle School we strive to be safe, be respectful, be responsible to ourselves and others.

Thank you,

Mr. Miller  
Principal  
Fleming Middle School
