record on file. I am also requesting the record layout (or data dictionary, schema, etc.) and any other documentation associated with the database. Please see the databases attached to this email as an example of a record responsive to my request from Fort Worth ISD. I am not requesting students' personal information and consent to the redaction of that information from this database. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of how vaccine uptake for childhood vaccines has evolved in major Texas school districts over the last eight years. As you may be aware, increased incidents of vaccine-

						preventable diseases in the U.S. are increasing as vaccine uptake wanes. Understanding how vaccine uptake has or hasn't changed in Texas is essential to knowing whether students are protected from preventable disease and death. I am a reporter with the Fort Worth Star-Telegram and this information is not being sought for commercial purposes. The Texas Public Information Act requires that you "promptly produce" the requested records unless, within 10 days, you have sought an Attorney General's Opinion. If you expect a significant delay in responding to this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me
