**SUBJECT:** Update and Reimplementation of Policy 6600 Naming of School Facilities and Mascots on a second read

Policy 6600 Naming of School Facilities and Mascots was previously repealed and integrated with the Donation policy. It was determined this policy needed to be a stand-alone policy therefore it has been revised and updated. The update includes the District's current practices for naming and renaming a school and outlines the procedures for naming facilities within a school. Our Legal Department has requested an update to this policy. We are seeking Board approval of this policy on a second read.
