Agenda Item Title: Teacher Incentive Allotment (TIA)

From: Kevin Rasco, Director of Teaching & Learning

Additional Presenters if Applicable: Alexis L. Castillo, Director of Communications and Marketing

Description: South San Antonio ISD's Cohort E Local Designation System Application for the Teacher Incentive Allotment (TIA) has been accepted for the eligible teaching assignments TIA allotment funds help Texas school systems reward, retain and recruit highly effective teachers. The funding formula prioritizes high needs and rural campuses. Districts can now create compensation plans based on teacher effectiveness and student equity. This new model creates a path for outstanding teachers to earn a higher salary—thus, reducing the desire for highly effective teachers to leave the classroom. TIA builds upon the success of past national incentive programs while removing previous barriers to success. The approval process is multi-step and includes the submission of a system application to the Texas Education Agency (TEA) and then a data validation process through Texas Tech University.

Recommendation: Recognize that SSAISD received the TIA Cohort E Acceptance.
