#### **PERFECT ATTENDANCE FOR May:** 5 STUDENTS

Babb Elementary School finished the year strong! There were a lot of fun activities that encouraged the students to stay focused and motivated. The first week of May was a culture week; students visited the Plains Museum and participated in Browning Elementary Schools Culture day. The second week of May our 6th grade students got to spend a day at the Browning Middle School - we have three students who will be moving on into the 7th grade! We will miss their humor, their height, and mostly their leadership! Good luck to Jude Juneau, Tegan Walker, and Mya Duarte!! You will always be Mustangs. The students were celebrated with a graduation ceremony on May 28th. May 29th the students went on a field trip across the border and had a day of fun to celebrate their good behavior. Thank you Superintendent Guardipee-Hall and the School Board members for allowing them to go.
