Re: Approval of School Specialty for Coppell Middle School West Furniture Additions

The 2023 Bond election (Proposition A) includes some furniture and equipment additions for Coppell Middle School West. School Specialty worked closely with Sarah Balarin, principal of CMS West, in planning the furniture additions.

The furnishings include round tables and soft seat chairs for collaborative instructional areas throughout the building.

This quote was competitively procured in accordance with Texas Education Code §44.031. The total cost for the furniture is \$115,716.75. This amount is well under the amount allocated for this project.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve the quote from School Specialty for the furniture additions at Coppell Middle School West at a total cost of \$115,716.75.
