Band & Orchestra Instruction for 5th grade students

Proposal #1:

We propose to provide band and orchestra instruction to students in the 5th grade in the Minidoka County School District.

Students who decide to sign up for 5th grade band or orchestra will receive instruction from Brett Barker (for band students) or Jayna Johnson (for orchestra students) twice a week for 45 minutes each time according to the following schedule:

Brett Barker:

M, W Rupert: 1:45-2:30 Acequia: 2:45-3:30

T, Th Heyburn: 1-1:45 Paul: 2:15- 3:00

Jayna Johnson:

M, W Heyburn: 1-1:45 Paul: 2:15- 3:00

T, Th Rupert: 1:45-2:30 Acequia: 2:45-3:30

Cost to the district of proposal #1:

Mileage:	Brett Heyburn/Paul	10 miles x 90 days x .45 =	\$ 405.00
	Jayna Heyburn/Paul	13 miles x 90 days x .45 =	\$ 526.50
	Brett Rupert/Acequia	9.1 miles x 90 days x .45 =	\$ 368.55
	Jayna Rupert/Acequia	5.2 miles x 90 days x .45 =	\$ 210.60
		Total:	\$1510.65

FTE: Although the eventual goal is to once again have a 1 FTE teaching position for the elementary schools, Terry Merrill and Josh Aston are willing to give up the time that Bret Barker and Jayna Johnson would be teaching in their schools during the afternoon to invest in this proposal. While Terry Merrill and Josh Aston would appreciate the extra allocation, if the funds are not available to provide a .5 FTE position to each school to make up for the classes that Bret and Jayna will not be teaching (Bret – one section of Guitar & History of Music, Jayna – Music Appreciation & Study Skills), the principals are still willing to move forward with this proposal.
