Board Union Meetings

Mr. Boebel, Mr. Moreth, and I met with Ms. Albigh and Ms. Winarczyk on March 4. Items discussed included increasing building capacity for in-person instruction, a progress report on Student Success Indicators, and the creation of the Board Union communication to update the community. I will let the members of the Board present summarize the results of the meeting at this time.

Graduation

The District has a tentative date for Graduation set for the Class of 2021. On Wednesday, June 2, the District is collaborating with Keeneyville and Medinah School Districts to set up an outdoor graduation experience at the west campus football field at Lake Park High School for the eighth grade students and their families. Details are still being developed and will be shared as they become available. Should it rain, the backup plan would be a drive through experience with a tribute video, similar to last year's graduation.
