

Delano School District Extended field trip request form

1. Name of sponsoring person:

Tristen Griffin

2. Name of school activity or class:

Delano Boys Soccer

3. Proposed dates of trip:

August of 24

4. Brief description of proposed trip:

We are going up to Moorehead to play them on a Friday Evening then to Fargo South for a game on Saturday afternoon. Both Schools are less than 15 mins from each other.

5. Educational objectives of the proposed trip:

The objectives are to compete against non-conference teams that we normally have little to no contact with. We use this as a bonding and team chemistry trip every other year so within your four years of the program you get to bond with your teammates and play different teams. This is used before school starts so we do not miss any school days.

6. How will the money be raised to finance the trip? We use our booster funds and continue to fundraise via Scarf sales, Hot dog stand (Coburns) and others. We will also ask the students to pay a small fee.

6. Itemize the full cost to students:

This is my best guess: \$75/100 per student

7. List travel and lodging arrangements: Coach Bus. Hotel in Moorehead TBD

8. List itinerary (include dates):
August 22nd to 24th
Itinerary is not ready yet

9. List chaperones and any special security provisions:
Tristen Griffin
Brian Mullen
Nick Lamecker
Dylan Johnson

10. Project the number of students who will not be able to go on the trip due to time and/or cost:0

I am not planning on taking the entire team. I would take the Varsity team and Junior Varsity No C team

11. Have alternative opportunities in the metro and surrounding area been explored?
Yes. We will have a full schedule But this allows us to play some different teams and different style of play.

12. Do the dates of the proposed trip conflict with any school time or community activities?
No

13. What arrangements will be made with parents in case of emergency-health, family, discipline, etc.?

I will have names/numbers of parents on hand for any issues. As well as a First aid kit. Trainers will be on site for games, and hospitals are close.
