The PSDC met to review the finalized plans for the October 6 full day inservice.

We welcomed Shannon Sylvester as our new representative for Educational Assistants. We discussed making the annual calendar available to Educational Assistants sooner for future years, taking the guesswork out of inservice commitments.

Principals have circulated a Google Doc to learn what staff will be doing in the afternoon work session.

We have some urgent needs in preparation for our presenters on October 6, and Brian and Calyn will try to come in early to make arrangements for Audio Visual equipment.

Needs for presenters:

Library — Projector

The School District All-staff photograph will be made in front of the school at 9 AM.
