Dear Sheriff Fitzgerald and Officer Lynch,

Please consider this letter as notification that law enforcement personnel of the Barron County Sheriff's Department and the Cameron Police Department may carry a firearm on the school campus, and within facilities, when off-duty. With the new school resource officer program and the strong school safety partnership between the Cameron School District, the Barron County Sheriff's Department and Cameron Police Department, the ability for your deputies to carry a firearm is permissible and potentially helpful.

Please note that this letter does not authorize any other municipal law enforcement agency to carry a firearm on the Cameron School District Campus when not on duty. Additionally, this relationship shall be for a period of one year and may be renewed annually with a new letter, barring any change to state statute.

Thank you for your ongoing support and continued commitment to safety in education. Please contact me with any questions or concerns at (715) 458-5600.

Sincerely,

Joe Leschisin  
District Administrator
