Re: Mobile Device Purchase – Federal COVID-Related Funding

I would like to discuss the purchase of Chromebooks plus carts, and Microsoft Surface Go 2s plus carts, at the next Committee of the Whole meeting on Monday, July 26, 2021. I would like to recommend the purchase of 3,936 Chromebooks and 137 charging/storage carts from Presidio in the amount of \$1,662,379.00 along with purchasing 459 Surface Go 2s and 17 charging/storage carts from CDW-G in the amount of \$335,580.00, for a total cost of \$1,997,959.00.

The Chromebooks will replace the 2017 Chromebooks, which will no longer be supported by Google in fall 2022. The Surface Go 2s will be additional machines for use in K-1 classrooms. Both quotes come from contract pricing, which fulfills the Board's requirement to bid. Funding will be from federal COVID-related funds received by the District.

Please let me know if there are any questions. Thank you.
