Site Council (April)
4/26/2018 - 5:00 PM

1. Welcome - Present: Erik Lathen, Jeaneen Beagley, Danny Pratt, Stephanie Phillips
 - a. Review minutes and approve - The site council were approved by Jeaneen and 2nd by Danny
2. Review of the previous month
 - a. Activites
 - i. Academic Masters- Erik said thanks to Stephanie for our well planned year. We had music finish last, Math finish 2nd and English, Social Studies, Science finish third.
 - ii. FBLA- Our FBLA team is sending finalists to nationals
 - iii. Brain Bowl- Our brain bowl team took 2nd place in their division on April 15.
 - iv. Skills USA- Our Skills USA team is doing well and sending students to upcoming events.
 - v. Speech and Debate-We are sending 1 student to nationals
 - vi. Battle of the Books- Our team went to state and placed 5th.
 - vii. We have had a lot of good publicity having our 1st female baseball coach. Baseball has not won a game yet. Softball will have a chance for a playin game. Track is doing very well as they have some very good female athletes this year. Our golf and equestrian teams are also doing well and having fun.
 - b. Academics- We currently have 479 Incompletes which is 100 less than we had at this time last year. We are working at clearing those up. Also Jeaneen thought it would be good how many students share those 479 incompletes.
 - c. 3R climate and culture- We are keeping to continue working on our climate by doing our Knight Flight and giving out our "Hatch that plan theme this month." Next month's theme will be something like "be pretty" on the inside and they will hand out flowers.
 - d. In the middle of SLC- We are doing SLC for the first time today so we will see how it goes.
3. What is on the Horizon
 - a. Extracurriculars
 - b. Breakfast of Champions- We have 60 students invited to the Breakfast of Champions next month.
 - c. Incoming Frosh day and night--May 22nd. We will the incoming 9th grade students come over on the 22nd for 1 hour during the school day and listen to some welcoming announcements. Later that evening they will be invited back with their parents/guardians for an Open House from 6:30 pm-8:00 pm.
 - d. ACES
 - i. Next month is staff and personal wellness theme for our training so we will see how that goes.

- ii. Our staff had 1 hour Options skills training today that was done by Michael Herzog.
 - e. Scheduling update
 - i. Preferential pole- We have done our preferential polls and the results have been tallied so that we can see which classes we have the most need and desire for. The teachers were told today which classes they would most likely be teaching next year.
 - ii. New classes
 - 1. Philosophical shift- We are shifting our class options to have more upper-end class options. We will have a better flow of electives for students so they have a better path with with elective options. This will hopefully create a more progressive list of classes options for students.
- 4. Collaboration Team proposals
 - a. Climate and Culture
 - i. Rewards and how to re-energize - We are constantly finding ways to reward our kids such as yesterday we had a free and random Otterpop giveaway during break as it was super hot day.
 - b. Curriculum and instruction
 - i. Engagement strategies- Our last two PD's have been very good and we hope that the teachers will be able to take the new skills that they have learned and use them in the classroom.
 - ii. Tech proposal- We a couple of the cameras in and the rest should be installed next week.
- 5. Council recommendations
 - a. Thank you for all the hard work that everyone has been doing
