

# Quarterly Report - April '26

City of Hayden Veterans Commission

## Previous Efforts (past few months):

- Successful planning and verification of all pieces for the Memorial Day event.
- Coordination with the City of Hayden's new website contractor and Mayor Davis, working towards implementing the Veterans Commission's plan to index the names in the Memorial Plaza and make the bricks easily discoverable by name.

## Present Projects:

- Executing the Memorial Day ceremony on 25 May.
- Chair Cosby is continuing to work with Mayor Davis to launch the publicly available memorial paver map and searchable index.
- Updating our SOP and guest speaker selection process.

## Future Projects:

- Creating a ***physical map*** of the Memorial Plaza to help people find brick names more easily.

Please feel free to contact me with any suggestions or concerns.

Sincerely,

Ian R. Cosby  
Chair
