SUBJECT: Update of Policy 4190 Concussions and Traumatic Head Injury on a first read

Policy 4190 Concussions and Traumatic Head Injury has been updated to comply with Utah State Board of Education Rule R277-614 and Utah Code 26B-4-403. This is a new policy that will replace our current policy 4190 Student Health and Welfare. This policy lists common signs of concussions as well as management and referral guidelines for students with a concussion or possible concussion. An update to this policy has been requested by the legal department. We are seeking Board approval of this policy on a first read.
