# Junior Class Ring Ceremony

# Events that Happened in February

- **Wednesday February 3rd - Administered the English 2 Field Test to all Sophomores**
- **Monday February 9th - Administered the ASVAB to 8 students**
- **Wednesday February 11th - Took 12 Seniors to tour WTAMU campus**
- **Wednesday February 18th - Took 7 Seniors to tour the AC East Technical Campus, First Responders Academy and the Washington St. Campus**
- **Thursday February 19th - Administered the TELPAS**
- **Wednesday February 25th - Administered the ACT to Juniors**
- **Wednesday February 25th - Mrs. Line took students to the EPIC Career and College Fair in Amarillo to meet with Employers and Colleges**
- **Friday February 27th - Took 9 Juniors and Seniors that are interested in STEM careers to the Pantex sponsored STEM event at Region 16 where they were able to explore careers and education pathways in Science, Technology, Engineering and Math**

**Also, we had 8 Seniors awarded a Windmill Scholarship this year from Panhandle Plains Higher Education Foundation. Awards range from \$1500 to \$3500 per year and it's a renewable scholarship. The total awarded to our SFHS Seniors was over \$20,000!**

**Seniors are working on scholarship applications and finalizing their after High School Plan. We only have 10 weeks of school after Spring Break so it's getting real!**

**After Mrs. Sellinger gets the STAAR Test groups finalized for April, she hopes to start working with students to request their classes for next year. We can then use that data to help finalize the Master Schedule once any hiring decisions have been made.**

**We have a few trips planned for March. Mrs. Price and Mrs. Holland will be taking their Education classes to the Why Teach event at Region 16 on March 25th. I'll be taking the Seniors interested in a career in the Medical Field to the Red Bag Tour day at Texas Tech Health Sciences Center on March 26th. And Mrs. Henderson will be taking students interested in a career in Pharmacy to SWOSU on March 27th.**
