

SCHOOL BOARD MEETING REPORT

Board Meeting Date: _____ Superintendent: David Holmes

Administrator/Staff: Deborah Acosta

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am applying for a CTSO grant that will help pay rooming costs at the state FBLA conference.

Provide history/background information on your proposal:

North Valley's FBLA program has only been active since last year. We have gone from 5 students in September 2014 to 66 students now. Our fundraising has not kept up with our need.

List the advantages of your proposal:

This grant will help defer the cost of attending the state conference.

List possible disadvantages of your proposal:

none

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Alternatives could have been more fund raising earlier in the year. Being new to the job and community, it has taken awhile to make connections necessary for fund raising.

Superintendent's recommendation(s):

Approve: Yes No

Learning that works for Oregon

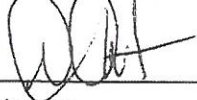

- Your chapter agrees to participate in CTE or CTSO communications efforts regarding the implementation of the Oregon CTSO Chapter Grant program including sharing of your CTSO impact/testimonial and final grant reporting information.

Please use the space below to describe your updated budget for the grant amount you have been awarded:

Our original request of \$3,000 would have paid for lodging at the FBWA State Leadership Conference for 24 students. Our award of \$1,050 will pay for lodging for only 8 students. We will either fund raise the rest or reduce the number of students who attend.

We assure the above to be true:
