Dear Sir or Madam:

It is the intent of the Coppell Independent School District, a Chapter 41 district, to exercise Option 4 to achieve the required equalized wealth level for 2006-2007 to the degree possible. The remaining WADA needed to achieve the required equalization wealth level, if any, will be purchased through Option 3. An Option 3 contract accompanies this letter.

Coppell ISD expects to receive full benefit of the "efficiency credit" and/or "early payment credit" available to Chapter 41 school districts choosing Option 4 and Option 3, and will proceed with setting a tax rate for 2006-07. Contracts and other required remittances will follow in a timely manner.

Sincerely,

Jeff N. Turner, Ed.D.  
Superintendent  
Coppell Independent School District
