---

**Background Information:** **The Region 10 Education Service Center Multi-Region Purchasing Cooperative (R10MRPC) will organize, administer, tabulate, advertise, award the bids and act as a coordinating center for all food purchasing**

---

---

**bids. Authority for such services is granted by section 8.053 of the Texas Education Code.**

**The goal of the R10MRPC is to offer the member districts substantial savings on specific commercial food items, non-food items, and USDA commodity processed items. By volume purchasing, districts are able to save more money than bidding as a single district.**

**The R10MRPC offers several formal, legally procured bids to assist districts with their food purchasing needs. There is no fee to join the co-op. An annual Interlocal Agreement is required which provides access to any and all bids procured by the co-op.**

**We began using this cooperative for the 2023-24 school year and have been very satisfied with their services.**
