

PROPOSED REVISIONS: 7.10.2025

Persons Age 21 and Over

The District shall not admit into its public schools any person age 21 or over unless otherwise required by law.

The student's parent, legal guardian, or other person having lawful control shall annually complete registration forms provided through the District's electronic registrant process. The District shall allow electronic signatures via the District online enrollment/registration system. A student who has reached age 18 shall be permitted to complete these forms.

Proof of Residency

In accordance with administrative regulations, the parent, guardian, or other person having lawful control of the student under order of a court shall present proof of residency.

In accordance with law, the District may make reasonable inquiries to determine whether the student is a resident of the District, including when a document submitted for purposes of proving residency is not in the name of the adult who is enrolling the student. When required by law, the District shall waive the requirement to prove residency in the District boundaries. If proof of residency is not shown within 30 school days, the District may initiate withdrawal of the student's enrollment.

A minor student living apart who has engaged in misconduct that results in any of the consequences found in Education Code 25.001(d) shall not be permitted to attend a District school.

Extracurricular Activities

The Superintendent shall determine whether a minor student living apart is present in the District for the primary purpose of participating in extracurricular activities.

The Superintendent shall have authority to approve or deny such admissions requests in accordance with criteria approved by the Board.
