Gardner Elementary Board Report, June 2025

Congratulations to Graycen Howard for being named our 2025-2026 Sunshine Award winner in honor of Jenny Eckenfels. Graycen was nominated by Mrs. Lloyd, completed a written application, and was interviewed by Mrs. Lee, Mr. Tyson, and me. Additional fifth grade students were recognized for being nominated for the award in addition to character awards. Our end of the year awards assembly is always a special event with the Eckenfels family present.

- Our Gardner Getaway days this year included disc golf, 9 Square, snow cones, bingo, a bounce house and more. This year we tried a new event, Silent Disco, and we got rave reviews from students and teachers.
- 5th grade choir students performed at the Cardinal game on June 3. They were so excited to sing and be on the field. Thanks to parents who attended the game and supported this event. Mr. Brake and students felt famous at Busch Stadium.

- Jessica Washausen and elementary principals met the first week of summer to review

assessment plans for next year in addition to intervention schedules. We have so many topics to consider and plan this summer. We will review IAR scores as well to consider instructional plans for next year.
