

School Board Workshop:

May 12, 2025

Subject:

Human Geography Curriculum
Adoption Proposal •
Social Studies Addendum

Presenters:

**Pam Miller, Director
Teaching & Learning,
Kaia Grant, Secondary
Curriculum Coordinator**

SUGGESTED SCHOOL BOARD ACTION:

Report only. No recommended action at this time. Action will be taken at the May 27, 2025 school board meeting.

DESCRIPTION:

The Human Geography course will be a required course for students in Grade 9 beginning in 2025-2026.

Social Studies (grade 9)

Human Geography:

- Utilizing piloted text material - *Contemporary Human Geography*

Contemporary Human Geography incorporates a bold, highly visual approach to guide students in exploring physical and cultural landscapes across the globe. Books have been purchased, digital seats will be of priority for the life of this adoption.

Final Implications:

- ***TBD for digital resource access only***
- ***(classroom set of texts purchased for pilot)***
