Subject:

Consider Approval of an Amendment to the Interlocal Governmental Agreement with the City of League City for the Crossing Guard Program

Background:

Clear Creek ISD, in partnership with the City of League City, staffs crossing guards to ensure safe routes to and from school each day for various schools in the district. Campbell Elementary was recently assigned a new crossing guard post due to a significant increase in student walkers as construction in the neighborhoods behind the school brings more families into the area. With the addition of a new guard, an amendment to the agreement between CCISD and the City of League City is needed to account for the additional compensation that the City agrees to pay to CCISD for the guards that are staffed in their jurisdiction. This post addition necessitates an increase of \$6,053.00 per fiscal year (2025/26 and 2026/27), bringing the total compensation under the agreement to \$357,106.00 for the 3-year agreement.
