

UMATILLA HIGH SCHOOL

Board Report

March 2026

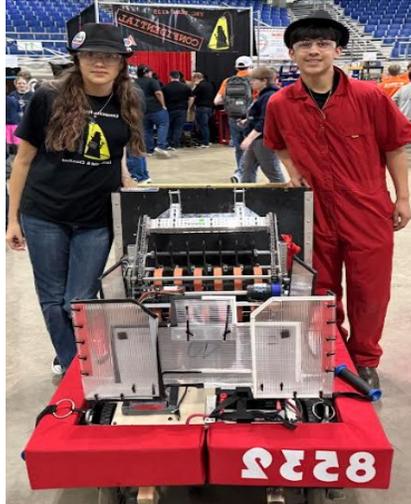

Medical Careers Class:

Mrs. Funderburk's class has been very active this past month. They had an opportunity to attend a fun activity with Doctor Earl. He treated the group to a night out to watch a Tri-Cities Americans game. They were really excited when their group showed up on the big screen. We had 31 students attend a Healthcare job fair at EOTEC. They were able to talk with many of the different agencies offering careers in the health care sector. They will have one more trip to Yakima to check out Pacific Northwest University of Health Sciences.

First Robotics Season has Officially Started:

Confidential and Classified finished their last modification this past week and are on the road to Salem for their first competition of the season. Members of Confidential are excited to see how their robot will perform. They put together what they feel is our most complete performing robot ever. Our Freshman team, Classified, also has put in the time and feels their robot will be ready to compete. Both robots have a consistent climbing option that will increase their opportunity to score points for their alliance. It has been impressive to see how our students are designing, milling parts and building their robots.

Key Club District Convention:

Mrs. Erz took her Key club leadership team to the State Convention in Portland March 6-8. They traveled with the Hermiston club. They had the opportunity to learn what is happening throughout the state. Our Key Club has been very active this year with service projects and they have hosted two very successful blood drives and food drives. We look forward to hearing what they have planned when they get back.

Sports Report

Spring Sports

Our spring season has begun. We are seeing good numbers of athletes participating in our programs.

Track: Track currently has 52 athletes out. We have several returners who are looking forward to improving on their marks from last year. Their first meet will be March 20 at The Dalles.

Tennis: We have 26 athletes currently out for tennis. They start the season with a home match on Thursday, March 16 vs. Weston at 4pm.

Golf: Golf has 8 boys hitting the links and driving range daily. Their first tournament will be April 3rd on our home course at Big River.

Softball: There are 14 girls turning out for softball. They will start off hosting Pilot Rock on Tuesday, March 19 vs. Irrigon at 4pm

Baseball: Seventeen boys are playing baseball. They travel to Sherman County on March 17 to play their first game at 3pm.
