Subject: CCSS for Mathematics Video Program

The second episode in the four-part video program on the Common Core State Standards developed by members of the Academic Services Department is ready to shown to our Board of Education. This episode will showcase the Common Core State Standards for Mathematics and is being shown in schools throughout the district during February and early March.

Please consider adding this item to the Curriculum Committee portion of the February 4, Committee of the Whole Board of Education Meeting. Thank you for considering this request.
