Re: Recommendation to hire the following: Palak Darji and Anna Martynaitis as paraprofessionals for the 2025-26 School Year

To support our students with IEPs, we are excited to bring two new paraprofessionals into the mix to support students. **Palak Darji** joined our team in the spring as a recess supervisor and immediately helped with students. She is positive, clear, and a wonderful collaborator with our staff. **Anna Martynaitis** is a district parent of a 4th and 7th grader. She knows what it takes to help students and is eager to be part of the team that helps our students who need encouragement, high expectations, and individualized attention. Both will help supervise at recess and throughout the building, and ride buses to reinforce expectations.
