Hi Marcos,

We sincerely appreciate the opportunity to submit this proposal for paging and intercom system. I am confident that the systems priced, and full installation contained herein will meet your needs. The pricing in this proposal is valid until March 14, 2025. After March 14, 2025 Pentegra Systems will update pricing at the request of Bloomington SD 13.

To replace the existing outdated and malfunctioning system, we propose a new Valcom solution that will be controlled from the main offices via a new easy-to-use touchscreen console. The new system will replace the existing speakers, analog clocks, and telephones in the classrooms with new digital speakers with text displays and simple stainless steel call buttons. These easy-to-read displays are capable of single or dual line text, have built-in audio speakers for high-quality paging intercoms, and dual-side mounted flashers for enhanced customizable notifications in emergency situations.

The system we are proposing would be a complete IP based paging and time keeping system. We will use the existing paging system rack in the MDF room for the new system. A Valcom IP6K Communication/Notification Server with UPS will be installed in the rack with a SIP Intercom Controller, an IP Network input/output module, and a SIP quad network audio port.

Again, thank you for the opportunity to be part of this project and to submit this proposal. As you review this document, please feel free to contact me for clarification or to address any changes or additions. We look forward to working with you on a successful project and a timely installation.

Sincerely,

Brian Christ

The restoration shall be to a condition at least equivalent to the condition of the affected area immediately before the destruction or damage. If Pentegra does not repair the damage within fourteen (14) days after receiving written notice from the School District, or a lesser time if the School District determines the damage creates an emergency, the School District may repair the damage and Pentegra shall reimburse the School District for the costs the School District incurs within fourteen (14) days after the School District provides a written invoice to Pentegra.

Upon 2 business days' notice, the Pentegra and each Subcontractor shall make available for inspection the records identified in the Prevailing Wage Act to the Owner in charge of the project, its officers and agents, and to the Director of Labor and his deputies and agents. If any employee, agent, contractor or subcontractor of Pentegra will have direct, daily contact with the School District's students as a result of the work performed under this contract, Pentegra shall make said employees, agents, contractors or subcontractors available to the School District for a fingerprint-based criminal history records check pursuant to 105 ILCS 5/10-21.9. The check shall occur before any employee, agent, contractor or subcontractor is sent to any school building or school property. Pentegra will reimburse the School District for the costs of the checks. The School District must provide a copy of the report to the individual employee but is not authorized to release it to Pentegra.

In the event the Pentegra fails to comply with the provisions of this section and, as a result, a suit or claim is instituted by a student for harm caused by an employee, agent, contractor or subcontractor of Pentegra, or caused by an employee of a subcontractor to the Pentegra, then in that event, Pentegra agrees to fully defend and indemnify, including reimbursement of attorney's fees and costs, the School District against any such claims.

Pentegra, at Pentegra's cost, shall immediately provide the School District with any such records requested by the School District to timely respond to any FOIA request received by the School District. The School District will review all such records to determine whether FOIA exemptions apply before disclosing the records, such that information properly exempt as proprietary or prohibited from release by other laws or exempt for other reasons will not be released. If Pentegra refuses to provide a record that is the subject of a FOIA request to the School District and the Attorney General or a court of competent jurisdiction subsequently requires the release of the record or penalizes the School District in any way, Pentegra shall reimburse the School District for all reasonable costs, including attorneys' fees, incurred by the School District related to the FOIA request and records at issue. Pentegra further acknowledges that the School District is subject to the Illinois Freedom of Information Act and the School District's compliance with that Act shall not be a violation of the Agreement.
