

D.C. Everest Reporting Requirement of School Board Policy 5461 Children At-Risk of Not Graduating from High School

This document serves as the reporting requirement of School Board policy 5461– Children At-Risk of Not Graduating from High School. Wisconsin State Statute 118.153 requires the District to submit to the School Board of Education a plan to meet the needs of students who are at-risk of not graduating. The following two documents will show:

- D.C. Everest programs and continuum of services are developed to support all students including "children of at-risk." Programs are designed to improve and expand educational opportunities based on individualized needs. These programs and our District's continuum of services provide the flexibility to receive both support and opportunities to ensure students are college, career, and life ready. (Continuum of Services for all Students)
- A framework (Everest System of Supports-ESS) used to identify and support all students, including students who need additional services and intervention. (ESS Flow Charts)

We remain committed to supporting all learners in their journey toward D.C. Everest's Portrait of a Graduate.
