RE: Board Policy Revisions

Pursuant to board Policy BDE:

The board policy manual will be reviewed on a regular basis under the direction of the superintendent or designee, in consultation with appropriate Directors, Principals and Staff, and reported to the superintendent according to a minimum schedule.

A review of district policies suggested by the Mississippi School Board Association, led to a suggested revision of policy DJEJA.

The suggested revised policy DJEJA is attached.

Please consider for approval this revision of policy DJEJA.

Respectfully Submitted:
