**Re:** Tax Levy 2018

---

### **EXECUTIVE SUMMARY**

I will be making a presentation on particular data points that affect the 2018 levy. In every levy, the discussion typically involves the District's tax rate and equalize assessed evaluation or EAV. Tonight's presentation will take a different approach, rather than just looking at District 13's data points, we will develop a metric using 5Sight that compares District 13 to its feeder groups. For your convenience, I have attached a PDF of the PowerPoint presentation to this memo.
