(MN Statute 144.4167) It shall not be a violation of policy for an American Indian adult to light tobacco in a public school as part of a traditional Indian spiritual or cultural ceremony, or to carry loose tobacco in a tobacco pouch intended for spiritual or cultural ceremonial support.

It shall not be a violation for an American Indian student to carry loose tobacco in a tobacco pouch intended for spiritual or cultural ceremonial support with the permission of the student's parent or guardian and with written or verbal notice to the site administrator or principal.

Purpose

- This regulation allows for students, staff, elders, and cultural teachers who are members of an American Indian Tribe* to conduct individual or group traditional practices including but not limited to: Opening/Closing prayers, Individual or Group Smudging, Feasts, Pipe Ceremonies, Pow Wows, and Drumming/Singing.
- The defined procedures provide direction to the Duluth Public Schools' community for engagement in these traditions respectfully.

Smudging and Pipe Ceremonies Procedure

- Duluth Public Schools is committed to creating an inclusive, open, and respectful climate for our diverse community members and guests.
- There are many types or forms of ceremony: individual, as part of engagement with Indigenous pedagogies in a classroom; and for community engagement.

- It is assumed that very small quantities are used for individual offices, workstations, and indoor classrooms

Responsibilities of the Building Administrators, Engineers, and Manager of Facilities

- In either case, students/staff who claim physical sensitivities to smoke or scent will be allowed to make alternate arrangements with the teacher for class participation or changes to office/space assignments.

Other Considerations

- Facilities will work with the organizers to ensure alarm issues will not disrupt the event; however, it is possible that some building occupants may smell the smoke or odor from the lighted tobacco, sage, sweet grass, cedar, and other natural plants.
- If there is an alarm during a ceremony people should treat it as an actual fire alarm and take appropriate action.
- Maintenance will clear the issue as soon as possible.

- The event manager will take accountability for the people attending and be responsible for making the decision to wait to return to the building or allow participants to leave and cancel the remainder of the event.
- Maintenance will be responsible for calling the event manager with updates.
