

May 22nd, 2014

TO: The District 97 Board of Education
FROM: The Beye School PTO

It is with great pleasure and pride that we are presenting the gift of library renovations and enhancements at Beye School for your acceptance. As the accompanying documents detail, the floor plan is being totally reorganized, seating surfaces recovered, walls painted, and counter tops replaced. There will also be a reading area defined by a simple, open structure that encourages kids to curl up with a good book. The estimated project cost is \$10,000.

We present these improvements as a gift for your acceptance and trust that the Beye School community will use and enjoy the rejuvenated library for many, many years to come.

Sincerely,

The Beye School PTO Executive Board
Angela Bryant & Therese Jurgus- Co-Presidents
Jonathan Ellwanger, Principal
