## PUBLIC SCHOOL ACADEMIES

June 7, 2010

The Board believes that public school academies can serve an important function in the education of students as permitted by applicable law. In an effort to foster diversity of educational opportunity without sacrificing quality of education or unnecessarily duplicating existing educational opportunities, it shall be the policy of the Board to review or cause to be reviewed applications for contractual authorization of public school academies and to review the prospective applications of members proposed for the boards of directors thereof in accordance with the Board Policy.

An entity interested in pursuing authorization of a public school academy through the District must submit an application in a form approved by the Superintendent's office.

All approved programs must have clearly defined educational goals, competent administration and staff to carry out those goals, and means and methods for ongoing evaluation of the program, sufficient financial resources, and will not be in conflict with the operation of the regular K-12 program.

The Superintendent or his designee shall review proposed applications and recommend approval, modification, amendment or rejection of the application to the Board for action.

The recommendation shall include as an information item the complete application. In reviewing whether to recommend the issuance of a contract to a proposed public school academy and whether to issue said contract, the Superintendent and Board, respectively, shall consider:

- the resources available for the proposed public school academy;
- the population to be served by the proposed public school academy;
- the educational goals to be achieved by the proposed public school academy;
- the impact any such academy will have on the regular K-12 program; and
- the applicant's track record, if any, in operating public school academies or other public schools.

The Superintendent shall be the Board's designee for purposes of effecting the purposes of this Policy and shall implement such guidelines as he deems necessary hereunder.
