A regular meeting of the board of education of the Issuer (the “Board”) was held in the _____, within the boundaries of the Issuer, on the 19th day of June, 2023, at _____ o’clock in the p.m. (the “Meeting”)

The Meeting was called to order by _____, President.

Present: Members

Absent: Members

The following preamble and resolution were offered by Member _____ and supported by Member _____:

WHEREAS:

1. Act 34, Public Acts of Michigan, 2001, as amended, the Revised Municipal Finance Act (the “Act”), permits the Issuer to purchase and refund all or part of its bonded indebtedness by issuing refunding bonds; and
2. The Issuer has received a proposal to assist the Issuer in making an offer to the holders of the Issuer’s outstanding 2020 Refunding Bonds (General Obligation – Unlimited Tax)(Federally Taxable), dated October 21, 2020, which due and payable May 1, 2024 through May 1, 2043, inclusive (the “Prior Bonds”), to tender such Prior Bonds for purchase and refunding by the Issuer with proceeds of refunding bonds to be issued by the Issuer; and
3. The Board determines that it is in the best interest of the Issuer to consider making such tender offer and issuing such refunding bonds; and
4. The Board previously directed certain authorized officers of the Issuer to file a public notice of the Issuer’s intent to explore the possibility of making such tender offer to holders of the Prior Bonds via the EMMA disclosure system; and
5. The Board previously directed certain authorized officers to engage an information agent and tender agent to act on behalf of the Issuer to explore the potential interest of holders of the Prior Bonds in participating in the tender offer; and
6. Prior to the issuance of bonds, the Issuer must either achieve qualified status or secure prior approval of the bonds from the Michigan Department of Treasury pursuant to the Act.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Issuer shall make an offer, with the assistance of the Dealer Manager (defined below), to the holders of the Prior Bonds to tender such Prior Bonds for purchase by the Issuer for consideration in the form of cash to, but not including, the settlement date (the “Tender Offer”).

2. The purchase prices for the Prior Bonds will be based on a fixed spread added to the yields on certain benchmark United States Treasury Securities, plus accrued interest on the Prior Bonds tendered for purchase up to but not including the settlement date.

3. The source of funds to purchase the Prior Bonds validly tendered for purchase pursuant to the Tender Offer will be limited to proceeds of the Bonds (defined herein) and supplemented by other available funds of the Issuer at the Issuer's sole determination. The purchase of any Prior Bonds tendered pursuant to the Tender Offer is contingent on the issuance of the Bonds, the purchase price of any Prior Bond not exceeding 103% of the original principal amount thereof, and on certain other conditions of the Issuer. In the event all conditions to the Tender Offer are not satisfied or waived by the Issuer on or prior to the settlement date, any Prior Bonds tendered pursuant to such offer shall be returned to the bondholder.

4. Holders of the Prior Bonds who do not tender any bonds pursuant to the Tender Offer will continue to hold such Prior Bonds (the "Untendered Bonds") and such Untendered Bonds will remain outstanding, and payable and secured, pursuant to the terms of the resolutions under which they were originally issued.

5. J.P. Morgan Securities LLC is named as dealer manager to act on behalf of the Issuer for this Tender Offer (the "Dealer Manager") and is authorized to contact holders of the Prior Bonds regarding the Tender Offer and may request brokers, dealers, custodian banks, depositories, trust companies, and other nominees to forward the Tender Offer to beneficial owners of the Prior Bonds.

6. Global Bondholder Services Corporation is named as information agent and tender agent to act on behalf of the Issuer for this Tender Offer (the "Information Agent and Tender Agent") and is authorized to disseminate notices and other information in connection with the Tender Offer, and to contact holders of the Prior Bonds regarding the Tender Offer and may request brokers, dealers, custodian banks, depositories, trust companies, and other nominees to forward the Tender Offer to beneficial owners of the Prior Bonds. The Information Agent and Tender Agent is authorized to establish an account at The Depository Trust Company ("DTC") for this Tender Offer promptly after the date of this Tender Offer.

7. Bonds of the Issuer designated 2023 Refunding Bonds (General Obligation - Unlimited Tax) (the "Bonds") be issued in the aggregate principal amount of not to exceed \$85,000,000, as finally determined upon sale thereof, for the purpose of purchasing the Prior Bonds validly tendered for purchase pursuant to the Tender Offer (the "Tender Candidates"). The Bonds shall be dated the date of delivery, or such other date as established at the time of sale; shall be numbered in the direct order of their maturities from 1 upwards; shall be fully registered Bonds as to principal and interest; shall bear interest at a rate or rates to be hereafter determined upon sale, payable on May 1 and November 1 of such years as may be established at the time of sale; and shall mature on May 1 in such years; all as to be determined by the Superintendent or the Chief Financial Officer of the Issuer (each an "Authorized Officer"), in the final principal amounts determined upon sale and may be subject to redemption, as determined by an Authorized Officer, in the amounts, at the times, in the manner, and at the prices determined upon sale of the Bonds.

8. The Bonds may consist of serial or term Bonds or any combination thereof which may be issued in one or more series, all of which shall be determined upon sale of the Bonds.

9. The Bonds shall be in denominations of \$5,000 or any whole multiple thereof.

10. The principal of the Bonds and the interest thereon shall be payable in lawful money of the United States of America at or by a bank or trust company to be designated by an Authorized Officer at the time of sale (herein called the “Paying Agent”), which shall act as the paying agent and bond registrar or such successor paying agent-bond registrar as may be approved by the Issuer, on each semiannual interest payment date and the date of each principal maturity.

11. Book Entry. Unless otherwise requested by the Underwriter (defined below), the ownership of one fully registered bond for each maturity, in the aggregate principal amount of such maturity, shall be registered in the name of Cede & Co., as nominee of DTC. So long as the Bonds are in the book entry form only, the Paying Agent shall comply with the terms of the Blanket Issuer Letter of Representations to be entered into between the Issuer and DTC, which provisions shall govern registration, notices and payment, among other things, and which provisions are incorporated herein with the same effect as if fully set forth herein. An Authorized Officer is authorized and directed to enter into the Blanket Issuer Letter of Representations with DTC in such form as determined by an Authorized Officer, in consultation with bond counsel, to be necessary and appropriate. In the event the Issuer determines that the continuation of the system of book entry only transfer through DTC (or a successor securities depository) is not in the best interest of the DTC participants, beneficial owners of the Bonds, or the Issuer, the Issuer will notify the Paying Agent, whereupon the Paying Agent will notify DTC of the availability through DTC of the bond certificates. In such event, the Issuer shall issue and the Paying Agent shall transfer and exchange Bonds as requested by DTC of like principal amount, series and maturity, in authorized denominations to the identifiable beneficial owners in replacement of the beneficial interest of such beneficial owners in the Bonds, as provided herein.

So long as the book-entry-only system remains in effect, in the event of a partial redemption the Paying Agent will give notice to Cede & Co., as nominee of DTC, only, and only Cede & Co. will be deemed to be a holder of the Bonds. DTC is expected to reduce the credit balances of the applicable DTC Participants in respect of the Bonds and in turn the DTC Participants are expected to select those Beneficial Owners whose ownership interests are to be extinguished or reduced by such partial redemptions, each by such method as DTC or such DTC Participants, as the case may be, deems fair and appropriate in its sole discretion.

12. In the event the Bonds are no longer in book entry form only, the following provisions would apply to the Bonds:

The Paying Agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Bonds, which shall at all times during normal business hours be open to inspection by the Issuer; and, upon presentation and surrender for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred on said books, Bonds as herein provided.

Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by a duly authorized agent, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall furnish or cause to be furnished a sufficient number of manual or facsimile executed Bonds and the Paying Agent shall authenticate and deliver a new Bond or Bonds for like aggregate principal amount. The Paying Agent shall require the payment of any tax or other governmental charge required to be paid with respect to the transfer to be made by the bondholder requesting the transfer.

13. If any Bond shall become mutilated, the Issuer, at the expense of the holder of the Bonds, shall furnish or cause to be furnished, and the Paying Agent shall authenticate and deliver, a new Bond of like tenor in exchange and substitution of the mutilated Bond, upon surrender to the Paying Agent of the mutilated Bond. If any Bond issued under this resolution shall be lost, destroyed or stolen, evidence of the loss, destruction or theft and indemnity may be submitted to the Paying Agent, and if satisfactory to the Paying Agent and the Issuer, the Issuer at the expense of the owner, shall furnish or cause to be furnished, and the Paying Agent shall authenticate and deliver a new Bond of like tenor and bearing the statement required by Act 354, Public Acts of Michigan, 1972, as amended, being sections 129.131 to 129.134, inclusive, of the Michigan Compiled Laws, or any applicable law hereafter enacted, in lieu of and in substitution of the Bond so lost, destroyed or stolen. If any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond, the Paying Agent may pay the same without surrender thereof.

14. The President and Secretary are authorized to provide the Bonds in conformity with the specifications of this resolution by causing their manual or facsimile signatures to be affixed thereto, and upon the manual execution by the authorized signatory of the Paying Agent, the Treasurer is authorized and directed to cause said Bonds to be delivered to the Underwriter upon receipt of the purchase price and accrued interest, if any.

Blank bonds with the manual or facsimile signatures of the President and Secretary of the Board affixed thereto, shall, upon issuance and delivery and from time to time thereafter as necessary, be delivered to the Paying Agent for safekeeping to be used for registration and transfer of ownership.

15. There is hereby created a separate depository account to be kept with a bank located in the State of Michigan and insured by the Federal Deposit Insurance Corporation, previously approved as an authorized depository of funds of the Issuer, to be designated 2023 REFUNDING BOND DEBT RETIREMENT FUND (hereinafter referred to as the "DEBT RETIREMENT FUND"), all proceeds from taxes levied for the fund to be used for the purpose of paying the principal and interest on the Bonds authorized herein as they mature or are redeemed. Upon receipt of the Bond proceeds from the sale of the Bonds, the accrued interest, if any, shall be deposited in the DEBT RETIREMENT FUND. DEBT RETIREMENT FUND moneys may be invested as authorized by law.

There shall be levied upon the tax rolls of the Issuer in each year for the purpose of the DEBT RETIREMENT FUND a sum not less than the amount estimated to be sufficient to pay the principal and interest on the Bonds as such principal and interest fall due prior to the next year's tax levy, the probable delinquency in collections and funds on hand being taken into consideration in arriving at the estimate. In determining the amount to be levied each year, there shall be taken into account any money in the DEBT RETIREMENT FUND. Taxes required to be levied to meet the principal and interest obligations may be without limitation as to rate or amount, as provided by Article IX, Section 6 of the Michigan Constitution of 1963.

16. The proceeds of the Bonds shall be used to pay the costs relating to the Tender Offer, the costs of issuance of the Bonds, and to secure payment of the Tender Candidates set forth in the Bond Purchase Agreement (as defined below). Upon receipt of the proceeds of sale of the Bonds, the accrued interest, if any, shall be deposited in the DEBT RETIREMENT FUND for the Bonds. From the proceeds of the Bonds there shall next be set aside a sum sufficient to pay the costs relating to the Tender Offer and the costs of issuance of the Bonds in a fund designated 2023 BOND ISSUANCE FUND (hereinafter referred to as the "BOND ISSUANCE FUND"). Moneys in the BOND ISSUANCE FUND shall be used solely to pay expenses of the Tender Offer and the issuance of the Bonds. Any

amounts remaining in the BOND ISSUANCE FUND after payment of issuance expenses shall be transferred to the DEBT RETIREMENT FUND for the Bonds.

17. The balance of the proceeds of the Bonds, together with any moneys in the debt retirement fund for the Prior Bonds that are allocated to the Tender Candidates, shall be used to purchase the Tender Candidates set forth in the Bond Purchase Agreement (as defined below).

18. The Bonds shall be in substantially the form attached hereto and incorporated herein as Exhibit A.

19. J.P. Morgan Securities LLC is named as senior managing underwriter (the "Underwriter") and further, that an Authorized Officer or designee is authorized to negotiate and execute an agreement to purchase the Bonds (the "Bond Purchase Agreement") with the Underwriter and any co-managing underwriters selected by the Authorized Officer, subject to the requirements of paragraph 23 below. Based upon information provided by the Issuer's financial consulting firm and the Underwriter, a negotiated sale allows flexibility in the timing, sale and structure of the Bonds in response to changing market conditions.

20. An Authorized Officer is authorized to approve circulation of a Preliminary Official Statement describing the Bonds.

21. An Authorized Officer, or designee if permitted by law, is authorized to:

- a. File with the Michigan Department of Treasury an application for approval to issue the Bonds, if required, and to pay any applicable fee therefor and, further, within fifteen (15) business days after issuance of the Bonds, file any and all documentation required subsequent to the issuance of the Bonds, together with any statutorily required fee.
- b. Make application for municipal bond insurance if, upon advice of the financial consulting firm of the Issuer, the purchase of municipal bond insurance will be cost effective. The premium for such bond insurance shall be paid by the Issuer from Bond proceeds.
- c. Execute and deliver the Continuing Disclosure Agreement (the "Agreement") in substantially the same form as set forth in Exhibit B attached hereto, or with such changes therein as the individual executing the Agreement on behalf of the Issuer shall approve, his/her execution thereof to constitute conclusive evidence of his/her approval of such changes. When the Agreement is executed and delivered on behalf of the Issuer as herein provided, the Agreement will be binding on the Issuer and the officers, employees and agents of the Issuer, and the officers, employees and agents of the Issuer are authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Agreement as executed, and the Agreement shall constitute, and is made, a part of this resolution, and copies of the Agreement shall be placed in the official records of the Issuer, and shall be available for public inspection at the office of the Issuer. Notwithstanding any other provision of this resolution, the sole remedies for failure to comply with the Agreement shall be the ability of any Bondholder or beneficial owner to take such actions as may be necessary and

appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under the Agreement.

22. An Authorized Officer's authorization to purchase the Tender Candidates pursuant to the Tender Offer is subject to the following parameters:

- a. the purchase of the Tender Candidates will produce, when tendered, overall present value savings that are not less than the net present value savings threshold provided in the following paragraph; and
- b. the receipt of express written recommendation of the Issuer's financial consulting firm identified herein to consummate the Tender Offer.

23. An Authorized Officer's authorization to accept and execute a Bond Purchase Agreement with the Underwriter is subject to the following parameters:

- a. the aggregate Dealer Manager fee and Underwriter fee shall not exceed \$10.00 per \$1,000 (1%); and
- b. the present value savings from the refunding shall not be less than 2.0% of the par of the Prior Bonds; and
- c. the receipt of express written recommendation of the Issuer's financial consulting firm identified herein to accept the terms of the Bond Purchase Agreement.

24. An Authorized Officer is further authorized and directed to (i) execute any and all other necessary documents required to consummate the Tender Offer and complete the approval and sale of the Bonds to the Underwriter in accordance with the terms of the Bond Purchase Agreement; (ii) appoint a paying agent for the Bonds; (iii) select a bond insurer, accept a commitment therefore and authorize payment of a bond insurance premium to insure any or all of the Bonds if recommended in writing by the Financial Advisor; (iv) deem the Preliminary Official Statement for the Bonds final for purposes of SEC Rule 15c2-12(b)(1); and (v) execute and deliver the final Official Statement on behalf of the Issuer.

25. The President or Vice President, the Secretary, the Treasurer, the Superintendent, the Chief Financial Officer and/or all other officers, agents and representatives of the Issuer and each of them shall execute, issue and deliver any certificates, statements, warranties, representations, or documents necessary to affect the purposes of this resolution, the Tender Offer, the Bonds or the Bond Purchase Agreement.

26. The officers, agents and employees of the Issuer are authorized to take all other actions necessary and convenient to facilitate the Tender Offer and the sale and delivery of the Bonds.

27. Thrun Law Firm, P.C. is appointed as bond counsel for the Issuer with reference to the Tender Offer and the issuance of the Bonds. Although Thrun Law Firm, P.C. has informed the Issuer that it represents no other party in connection with the issuance of the Bonds, Thrun Law Firm, P.C. represents the Dealer Manager and Underwriter on other, unrelated matters. The Board acknowledges the services that Thrun Law Firm, P.C. provides to the Dealer Manager and Underwriter, consents to the representation of the Dealer Manager and Underwriter on other, unrelated public finance matters, and waives any conflict of interest that could be asserted with respect to such representation.

28. The financial consulting firm of PFM Financial Advisors, LLC, is appointed as financial consultant to the Issuer with reference to the Tender Offer and the Bonds herein authorized.

29. The Board covenants to comply with existing provisions of the Internal Revenue Code of 1986, as amended (the "Code"), necessary to maintain the exclusion of interest on the Bonds from gross income.

30. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are rescinded.

If the document included by specific reference is a final official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so included by reference.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall as soon as possible determine if such event would constitute material information for the Bondholders, provided that any event other than those listed under Section 5(a)(2), (6), (7), (8), (10), (13), (14) or (15) above will always be deemed to be material. Events listed under Section 5(a)(6) and (8) above will always be deemed to be material except with respect to that portion of those events which must be determined to be material.

(c) The Issuer shall promptly cause a notice of the occurrence of a Listed Event, determined to be material in accordance with the Rule, to be electronically filed with EMMA, together with a significant event notice cover sheet substantially in the form attached as Appendix C. In connection with providing a notice of the occurrence of a Listed Event described in Section 5(a)(9) above, the Issuer shall include in the notice explicit disclosure as to whether the Bonds have been escrowed to maturity or escrowed to call, as well as appropriate disclosure of the timing of maturity or call.

(d) The Issuer acknowledges that the “rating changes” referred to above in Section 5(a)(11) of this Agreement may include, without limitation, any change in any rating on the Bonds or other indebtedness for which the Issuer is liable.

(e) The Issuer acknowledges that it is not required to provide a notice of a Listed Event with respect to credit enhancement when the credit enhancement is added after the primary offering of the Bonds, the Issuer does not apply for or participate in obtaining such credit enhancement, and such credit enhancement is not described in the Official Statement.

SECTION 6. Termination of Reporting Obligation.

(a) The Issuer’s obligations under this Agreement shall terminate upon the legal defeasance of the Resolution or the prior redemption or payment in full of all of the Bonds.

(b) This Agreement, or any provision hereof, shall be null and void in the event that the Issuer (i) receives an opinion of nationally recognized bond counsel, addressed to the Issuer, to the effect that those portions of the Rule, which require such provisions of this Agreement, do not or no longer apply to the Bonds, whether because such portions of the Rule are invalid, have been repealed,

amended or modified, or are otherwise deemed to be inapplicable to the Bonds, as shall be specified in such opinion, and (ii) delivers notice to such effect to the MSRB.

SECTION 7. Dissemination Agent. The Issuer, from time to time, may appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

SECTION 8. Amendment. Notwithstanding any other provision of this Agreement, this Agreement may be amended, and any provision of this Agreement may be waived to the effect that:

(a) such amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the Issuer, or the types of business in which the Issuer is engaged;

(b) this Agreement as so amended or taking into account such waiver, would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, in the opinion of independent legal counsel; and

(c) such amendment or waiver does not materially impair the interests of the Bondholders, in the opinion of independent legal counsel.

If the amendment or waiver results in a change to the annual financial information required to be included in the Annual Report pursuant to Section 4 of this Agreement, the first Annual Report that contains the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of such change in the type of operating data or financial information being provided. If the amendment or waiver involves a change in the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared based on the new accounting principles and those prepared based on the former accounting principles. The comparison should include a qualitative discussion of such differences and the impact of the changes on the presentation of the financial information. To the extent reasonably feasible, the comparison should also be quantitative. A notice of the change in the accounting principles should be sent by the Issuer to the MSRB. Further, if the annual financial information required to be provided in the Annual Report can no longer be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be included in the first Annual Report that does not include such information.

SECTION 9. Additional Information. Nothing in this Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Agreement, the Issuer shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Agreement, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its

obligations under this Agreement. A default under this Agreement shall not be deemed an Event of Default under the Resolution or the Bonds, and the sole remedy under this Agreement in the event of any failure of the Issuer to comply with the Agreement shall be an action to compel performance.

SECTION 11. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Agreement.

SECTION 12. Beneficiaries. This Agreement shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter, and the Bondholders and shall create no rights in any other person or entity.

SECTION 13. Governing Law. This Agreement shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this Agreement shall be instituted in a court of competent jurisdiction in the State. Notwithstanding the foregoing, to the extent this Agreement addresses matters of federal securities laws, including the Rule, this Agreement shall be construed and interpreted in accordance with such federal securities laws and official interpretations thereof.
