

BISD Athletic Report

November 10, 2014

Fall sports are coming to an end with all sports competing at a high level. The cross country team advanced two girls to the state meet and the boys advanced as a team. Our athletes have done really well so far this year, and have continued to represent the school in a positive manner. Aside from the fall sports, basketball has also started and we look forward to having our students compete in this sport as well. The kids have done a great job of competing and look to carry the momentum and success we have had early in the school year on into their upcoming sports as well.

Justin Morris
Athletic Director
