

# Memo

**To:** Superintendent Gina Butters, Weber School District Board of Education  
**From:** Dr. Jennifer Boyer-Thurgood, Technical Services Director  
**CC:** Dr. Robert Petersen, Dax Teuscher  
**Date:** December 18, 2023  
**Re:** Purchase Request

---

The Cohesity backup system requires a 5-node replacement. This system is located in the data room at the District Office. These 5 nodes are direct replacements for 5 nodes that are due for refresh. No new nodes are being added. These nodes are necessary because they back up the IFAS financial system and the student information system, PowerSchool.

The full cost of the replacement is \$83,970.25. This includes a \$7,486.07 discount extended by the vendor for purchase in the 2023 calendar year. Funds for this purchase will be taken from regular operating budgets. All district purchasing practices have been followed.

Thank you for your consideration of this purchase. As always I appreciate your continued support of technology in the district. If I can provide you with further clarification or answers to questions, please contact me at 801-476-7980.

Thank you.

Dr. Jennifer Boyer-Thurgood  
Director of Technical Services
