

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 11/16/22 **Superintendent:** Dave Valenzuela

Administrator/Staff: Dave Valenzuela

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Three Rivers School District currently acts as the Local Educational Agency (LEA) for the Oregon Youth Correction Education Program, New Bridge High School. New Bridge is located out side of the TRSD residential boundaries and therefore not an inherent responsibility of the district. The current contract with the Oregon Youth Authority naming TRSD as the LEA expires on June 30, 2023. I am requesting that the Board approve the non-renewal of this contract, effectivley ending our responsibility as the LEA for New Bridge on 6/30/2022.

Provide history/background information on your proposal:

We have been the LEA for New Bridge the entirety of its existence. TRSD recently approved our 4th charter school and this decision comes down to capcity for oversight. New Bridge operates on a separate calendar than TRSD, has different working conditions and has specific contractual requirements.

List the advantages of your proposal:

Lessens oversight responsibilities to the district, allowing us to focus on our general education sites and charter schools.

List possible disadvantages of your proposal:

We have employees at New Bridge that are TRSD employees. They will have a 1 year "hold harmless" period with any other LEA that takes the New Bridge contract. They will also have the option to remain with ditrict.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Continue with our contract. This is not recommended because we have limited resources to provide this oversight.
