

Site Report – Chignik Lagoon –February 2020

To: Superintendent Ty Mase and LPSD School Board Members	From: Nancy Mills, Head Teacher
Outstanding Activities and Events	
Chignik Lagoon School took thirteenth place in the state Battle of the Books competition at the high school level! Katie Jones, Meghan Jones, and Tatianna Anderson, overcame cross-state distance (Katie and Meghan in Georgia for a wedding and Tatianna in Anchorage for my surgery) and coordinated with each other to participate. Since I was in surgery the day of the competition, Samantha Jones subbed in as coach from Georgia. Very proud of the teamwork that took place to get these kiddos to participate in the State battle!	
Personnel	
I had major reconstructive surgery to include a tendon and bone donor transplant in my foot. I am out on leave until March 16 th , per doctor's note. My next appointment is tomorrow (3/10), where the doc said he would likely release me to travel back home. I will be on a scooter and crutches until April 14 th . I'm counting down to "walk day!" Sara has been doing an awesome job holding down the fort at the Lagoon. Her, Jim and I are staying in close communication to ensure smooth running of the school.	
Samantha Jones (teacher's aide) returned from the Georgia wedding but admitted to the AK Regional hospital due to a sudden illness. While Samantha has been missed at the school, we have been able to find subs for her positions and the school continues to run smoothly. As of this writing she's hoping to fly back home on Friday.	
I am very proud of our Lagoon team for pulling together during this time!	
Standards Based System/Curriculum Progress	
Our students are gearing up for their end of level assessments. They are doing a great job!	
Technology Progress	
Technology needs are met.	
Facility Update	
The facility is good.	
LSAC Activity	
No LSAC activity for February. Next LSAC scheduled for 3/19.	
Volunteer Report	
None to report.	
Professional Development	
The staff likes the late start Monday professional development.	
Pupil Attendance	
The upper respiratory flu is going around and attendance is down STILL.	
Student and Staff Safety	
Everyone has been safe. There is nothing to report.	
Subsistence Calendar	
Parents report that they continue to like the subsistence calendar. Staff also are enjoying it. Parents also really like the Summer Bridge workbooks.
