

## RESOLUTION #2015-16-10

### Recommended Increases - District Meal Prices for 2016/17

**Discussion:**

A proposed increase in District Meal Prices for the **2016-17** School year is due to the Federal "Healthy Hunger-Free Kids Act" which reauthorized the National School Lunch Program. This regulation requires the District to increase meal prices to meet Federal Equity Pricing Requirements. Complying with the equity in pricing will necessitate raising all school lunch prices and milk prices by \$.10. This includes Adult Meals.

No increase is proposed for breakfast prices at all levels.

Lunch	Current Price	Recommended Price
Elementary	\$2.45	\$2.55
Junior/Senior High School	\$2.70	\$2.80
Reduced Price Lunch	No Change*	No Change*
Adult Lunch	\$3.25	\$3.35
Milk	\$0.50	\$0.60
<b>Breakfast</b>		
Elementary	\$1.00	No change
Junior/Senior High School	\$1.25	No change
Reduced Price Breakfast	No Change*	No Change*

***\*Notes: Reduced prices are set by the Federal Government. The State is currently paying the reduced breakfast and reduced lunch price, so for the 2016-17 School year this will remain the same so the district will not need to charge students who are approved for reduced meals. "***

Resolution #2015-16-10 APPROVE RECOMMENDED INCREASE IN DISTRICT MEAL PRICES FOR THE 2016-17 SCHOOL YEAR.

WHEREAS, the Federal "Healthy Hunger-Free Food Act" requires the district to increase elementary and Junior/Senior High school lunch prices to meet Federal equity pricing requirements; and WHEREAS, the fixed price for Pattern Meals and Meal Price Equivalent is increasing to offset the continuing increases in the cost of food; therefore

BE IT RESOLVED that the Board of Directors approves the recommended increase in district meal prices for the 2016-17 school year.
