(907) 828-8254 Fax: (907) 828-8257 E-mail: sisd@sisd.org

Meeting: October 18, 2018 – Special Board of Education Meeting

Category: Business Item

Subject: Southeast Island School District (SISD) Firewood Supply Project

RECOMMENDATION

It is the administration's recommendation that the School Board approve and authorize the superintendent to award contracts for the SISD Firewood Supply Project as follows:

1. Award one contract to Southeast Savage Trucking & Tire to supply up to 20 cords, upon district request, of cut-to-length, split, delivered, and stacked firewood to Barry C Stewart Kasaan School at the price per cord identified on their bid sheet.
2. Award one contract to JK Forest Products to supply the following at the prices per cord or item identified on their bid sheet:
 - up to 200 cords, upon district request, of firewood for the following school sites, combined: Hollis & Whale Pass Schools (cut-to-length, split, delivered, not stacked), Howard Valentine Coffman Cove and Naukati Schools (cut-to-length, split, delivered, not stacked and/or cut-to-length, crated, delivered), and Thorne Bay School (cut-to-length, crated, and delivered)
 - firewood crates as requested

PERTINENT FACTS:

SISD currently operates wood-fired boilers at six schools: Barry C Stewart Kasaan, Hollis, Howard Valentine Coffman Cove, Naukati, Thorne Bay, and Whale Pass. In September, the District published an open request for proposals (RFP), where bids are accepted on an ongoing basis and opened monthly. The bids listed above met the requirements listed in the RFP and also meet the District's requirements for the project.
