Grounds and Fields

1. Top dressed football field, will need to do it again to cover up low spots on the field.
2. Finally got irrigation system working right on the football field.
3. Will be doing a pink out on the football field for breast cancer awareness month.
4. Fixed the irrigation system on the baseball field.
5. Will be working on the baseball and softball fields starting in Oct. Will be reseeding fields in November.
6. Track field irrigation system fixed, will be reseeding the inner part of the track field in November.
7. Fixed water leak on the practice football field.
8. School grounds-- we will be trimming more trees in front of the high school to bring in more sunlight for the grass.

We are continuing to put out fire ant killer on all grounds and fields.
We will be starting to cut back on watering on all fields and the school grounds due to the cooler temps.
