

COVID-19 Mitigation Report and Return to Learn Plan

Background:

The Iowa Department of Education is requiring all schools to submit a Return to Learn plan by July 1.

The federal CARES Act is providing our district with \$120,000 for mitigation efforts.

Products on Order:

These are some of the products we plan to deploy in August to address health concerns with our staff and students.

Infrared Body Temperature Detector

Cordless Electrostatic Backpack Sprayer

Cordless Electrostatic Handheld Sprayer

Recommended Action:

I suggest the board discuss this issue and offer any guidance they may have for the school administration.
