

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting May 19, 2025

FOR ACTION

Subject: **Approval of Food Service Contract**

In the *Thursday Letter* earlier this month, I mentioned that the District had gone through the public bidding process to access a vendor to provide free and reduced priced lunches for students from those families who qualify. Quest Foods, the hot lunch provider to Lake Park High School and current provider of the service, was the only firm to respond to the request. As such, I am recommending that the Board approve the contract with Quest Foods as presented

Ms. Varhalla is present and available to answer any questions you may have about the process and the contract this evening.

Recommendation: The Board approve the contract with Quest Foods for the provision of free and reduced lunches, as presented.
