*I thought it was such a fun trip! Especially because I have some of my best friends with me, but also I made so many new friends and just getting to explore new and amazing cities was such an amazing thing we got to do.*

*Well obviously it was a once in a lifetime trip. Completely unforgettable and the highlight of my summer/year. I will take this trip w me forever along with the memories and friends I have made.*

*I got close with a lot of other students that I hadn't known very well before and got to see almost everything on my travel bucketlist*
