

Minidoka County School District
Attendance Incentive Request Form
Due Date: August 13, 2018

School: Mt. Harrison Jr. High Amount Requested: \$500.00

Please list what the incentive money was used for (be specific): We had 9 activities that were available to all students dependent on attendance: swimming (2), Halloween activity, Thanksgiving, Century Cinemas, cookie and ice cream social, bowling, field day, Outer Limits laser tag.

Do you plan to change usage of money received?

Yes, we plan to use the funds for weekly Friday rewards to provide a more immediate incentive, and have only 3 of the larger activities (Swimming, Century Cinemas, and Laser Tag at Outer Limits).

How do you feel this will increase attendance? Hopefully, this will increase attendance with the more frequent reminder, and the bigger reward of the field trips that everyone will be able to enjoy instead of a drawing that not everyone will win.

Here is the comparison for the last two years: 2016: 94% 2017: 92%

How will you measure the impact this has on attendance? We will review the attendance data, student survey, parent input with a survey, monthly staff meeting discussion, and review success with staff and students each trimester. We will ask for student involvement in planning the rewards, and evaluating the effectiveness as a part of advisory classes.
