Re: Approve Intergovernmental Agreement with Winfield Township

Recommendation:

It is the recommendation of the Superintendent to approve the intergovernmental Agreement with Winfield Township to provide food support for needy families during Spring Break 2025.

Background Information:

This short term intergovernmental agreement allows our staff to work with Winfield Township to provide \$3,300 in grocery gift cards and coupons to families who qualify for free or reduced lunch support for food support during Spring Break. The cards are to be issued between March 27th and April 7th and used by April 17th. The agreement exists for only the period of March 27th to April 7th, 2025. This partnership was initiated by Winfield Township and we hope to see it as one of several bridges to support families in our community.
