Notable Highlights:

Principal's General Narrative:

Things are going very well. Our teachers are working hard to help our students achieve. The spring TAKS Tests are coming up and our faculty is working overtime to make sure we are as successful as possible. Our students are involved in many things and are showing success in academic, extra-curricular, and community service activities. I wish to thank the school board and Mrs. Renken for guiding us in the direction of continued and greater success.
