**Subject: Resolution Authorizing Intervention in Property Tax Assessment Appeals**

In the August 8 edition of the *Thursday Letter*, I mentioned the efforts of corporate tax entities to appeal their tax burden through the Property Tax Appeals Board process. A collection of affected school districts wish to cut legal costs in this process by joining our complaints together to be represented under a single law firm.

The firm of Robbins Schwartz has been selected by this consortium of school districts to address property tax appeals that affect the Lake Park area school districts. The resolution empowers them to represent the District interests in these matters only.

This has been a common practice among school districts in these matters. The resolution is attached for your review and approval.

**Recommendation:** The Board of Education approve the Resolution Authorizing Intervention in Property Tax Assessment Appeals as presented.
