Staff/Administrator: _____ Travis Osborne _____ Superintendent: Dan Huber-Kantola

Information: _____ Action: _____

1. Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am requesting board approval to travel out of state to Colorado Springs Colorado from October 29th until November 3rd. I will be attending the International Strength & Conditioning Conference and visiting the Olympic Training facility there.

2. Provide history/background information on your proposal.

This conference is the biggest conference of the year for strength & conditioning specialist. It is a great opportunity for professional development in my subject area.

3. List the advantages of your proposal.

Professional development as a teacher and as a strength & conditioning specialist. The conference offers a full agenda of lectures, guest speakers, hands-on training, networking, and group work. I will be able to stay current on techniques, philosophies, safety, and equipment used in my subject area. It will help the students of Hidden Valley, and I will be able to bring my information back to share with other teachers in the district. I have not had the opportunity to attend such a conference in my six years with the district.

4. List possible disadvantages of your proposal.

Possibly the financial cost, but I have applied for professional development funds. Time away from my students is also a disadvantage. The conference will make up for that with what I bring back to share with my students.

5. List possible alternatives that could also offer a solution to your proposal.

Why were they not recommended?

N/A There is not a conference for my area of strength & conditioning

6. Superintendent's Recommendations:
