#### **NOTES**

**REVENUE:** We did see an increase in State School Fund revenue due to the May 2024 reconciliation payment that we will receive with our May 2025 payment. In a meeting with ODE on 5.2.2025, they shared a calculator that allowed me to see what the actual May 2024 reconciliation payment would be - that is coming in at \$502,221. The increase is due to 2023.2024 property tax reconciliation; 2023.2024 transportation expense reconciliation; and a small adjustment for teacher experience coming in lower in 2023.2024. Included in the May 2023.2024 reconciliation payment is \$80,193.60 for High Cost Disability.

We also are seeing an increase in State School Funding for 2025.2026 of \$239,973. This is primarily due to ODE adjusting our Property Tax collections for 2024.2025. This is a new adjustment for ODE to make at this point in a school year - for the current school year. But it is good for us - because it gives us a cash flow boost for this year since our Property Taxes are coming in lower than what we had estimated back in December of 2023. This brings the projected negative fund balance to -(\$812,438)

Local Sources Include: Property Taxes, Reimbursements, Fees, and other Misc. Revenue.

Intermediate Sources Include: Flowthrough from ESD.

Federal Sources include: Federal Forest Fees

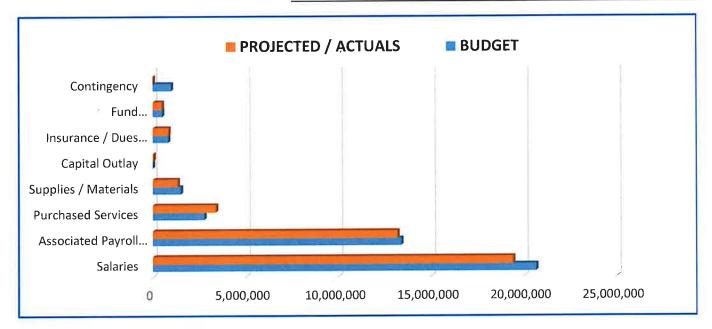

Sale of Assets include: Payment for the Sale of Briscoe

# **2024.2025 GENERAL FUND (100)**

### **EXPENSES**

Financial Data Ending April 30, 2025

| <b>EXPENSES BY OBJECT</b>         |     | BUDGET        | PROJECTED / ACTUALS | (Over)/Under Budget |

#### **NOTES**

**EXPENSE:** Again, continuing the positive trend - projected expenditures are lower than budgeted by \$1.967 million. I have spent a significant amount of time in April going through the encumbered expenditures for the remainder of the year. Being new to the District in February I did not want to be aggressive with projected expenditures until I had time to see actual spending patterns for this year knowing that a spending freeze had been put in place, the furlough days implemented, and some staffing reductions had occured. I have adjusted encumbrances to be more in line with those reduction measures that Dr. Hattrick and the Lead Team had implemented back in December.
